Topics: 2017 Assembly Meeting Feedback

Girl Safety and Risk Management

What processes can be improved for securing parent permission, adherence to Safety Checkpoints and overall risk management?

Troop Funds and Dues Increase

GSUSA membership dues will be increasing to $25 for the 2018 membership year and updated Girl Scout San Diego Financial Guidelines will be implemented in 2017.

- How do we best communicate the increase and updated guidelines to members and educate leaders on appropriate budgeting for the financial impact on troop funds?
- How are leaders currently using troop funds?
- What questions and concerns do leaders have?

Outdoor Program

What type of outdoor activities are girls interested in? What are some barriers for outdoor activity participation for girls, volunteers and/or troops?

Product Sales

Would volunteers prefer product sales training directly from volunteer service unit cookie coordinators or from professional staff? What supplemental/training materials would be useful at a girl level, troop leader level or parent level? (i.e. family guide, training manuals, webinars, or in person training)

Staff Support

What type of additional support, guidance, and training do you need from professional staff? What best practices make up the ideal staff and volunteer partnership?

New Council Leadership

In 2016, we welcomed a new CEO and in April 2017, we will welcome a new Board Chair to Girl Scouts San Diego. Why are you proud to be a part of this council and where do you think we can grow?
