Project advisors can guide you as you plan and implement your project. But they shouldn't design your project for you. That's your job!

Community Letter of Support Guidelines

All content should be typed, except for signatures.

You must include a letter of support from a community partner you're going to work with on your Gold Award project in your Gold Award proposal. The letter should be on the community partner's letterhead, acknowledge they are aware that you're working on your Gold Award project, describe the anticipated benefits of your project and include a handwritten signature. Below is a good template.

The template is a letter on Girl Scouts San Diego letterhead. It includes a placeholder for the date, a salutation, a paragraph describing a Gold Award project, a closing, and a signature. The letterhead includes the Girl Scouts San Diego logo and three addresses: Balboa Campus, Escondido Program Center, and North Coastal Service Center. The signature is of Steph Dawes, Program Specialist, 6-12.
