

Cookie Rookie

Daisy or Brownie troop new to Girl Scout Cookies®?

Tap the amazing power of the Cookie Captains.

Little girls are bubbling with excitement to participate in their first cookie program. With cookie seasons under their belts, older Girl Scouts possess extraordinary talents...they've been there, done that, and are ready to share. They'll help you, and your Cookie Rookies, through your first cookie experience and on to success.

- Pre-planned program — Cookie Captains help your first time cookie sellers understand the basics.
- Learning opportunities — Watch the role models in action for tips and insights.
- Support — Rookie adults benefit by connecting with experienced girls and their adults.
- Progression— You're allowing Captains to develop their leadership skills.
- FUN!

Ask your Service Unit Cookie
Coordinator for more information.
