<b>Project start Date:</b>	<b>Completion Date:</b>
<b>A. Which community issue from step 2 did you choose?</b>	

**B. What did you feel was the root cause of that issue?**

**Step 6: Develop your project**

*Answer the questions listed under step six with your team or project advisor.  
Make a Global Connection by brain storming these questions*

Who else has tried to address this issue around the globe?	Are there ways to share your plan with other communities?	Can you create a plan that other could replicate?

**Step 7: Make a plan and put it into motion**

*Use the "Make a Plan" chart from step 7 of your guidelines*

**Please describe your project and how it addressed the root cause of the issue you identified.**

**How did you partner with a community organization for your project?**

**How did you cover your expenses for your project?**

*Using the chart below, include all income and expenses. If you used troop funds, include a letter signed by the troop agreeing to this usage. If you did a money-earning project to cover expenses, include a copy of the troop money-earning form which has been approved by the appropriate persons.*
