## GROUPS CLEAN-UP

Time: Sunday @ \_\_\_\_\_

Location: All over camp

Girl Scouts never litter but trash always finds it's way out onto the trails. We want to keep camp clear and wildlife safe.

- Grab a small trash bag from the lodge. Ask a camp staff if you're not sure where to find these.
- Walk the main trails of camp. Don't worry about the areas immediately surrounding the cabins, that's the job of the people who live there.
- Pay special attention to the area around the campfire ring and flag pole.
- When you're done, throw the bag of trash into one of the big trash cans.
