Directions and Information for Troop Camping Site Reservations

For complete details, see the *Property Resource Guide* booklet.

1. All correspondence will be with the Outdoor Trained Adult.
2. Please reserve only the space you will use to ensure maximum use of our council facilities. More than one troop occupying one cabin/unit can use one application. More troops than can occupy a single housing space on council property is considered an encampment.
3. Troop Camping training (Let's Camp, Let's Cook and/or Let's Tent) is required to reserve council facilities. Troops may reserve a site for a single night or weekend.
4. Applications will be processed when the form is approved by your service unit activity consultant and accompanied by the total fee.
5. Additional charge for program resources, archery, pool, and lodge/kitchen are payable at time of reservation. These may be added later depending upon availability.
6. Cancellation of a reservation must be received in writing to the council within 30 days prior to the troop/group reservation date. If this deadline has been met, the reservation fee may be refunded or applied to future reservations within 12 months. Excessive cancellations will jeopardize future camping privileges. A full refund or another date will be issued if the camp is closed by council personnel due to inclement weather.
7. It is the responsibility of the Outdoor Trained Adult to notify the resource assistant as soon as possible of any changes in information on this application, including arrival and departure times.
8. Individual troops may go cabin or lodge camping *two weekends* per year, Sept. 1 through May 31 on council sites. There are *no* restrictions on the number of times tent areas or weekdays may be used. Attending a council sponsored event/program weekend or encampment, does not count toward troop's camping quota.
9. To facilitate communications between troops sharing camping facilities (units, levels) your phone number will be given to other leaders unless you attach a note requesting otherwise.
