HOW TO ENROLL IN PARTICIPANT INSURANCE

1. To count days, mark dates on a calendar including travel dates.
2. Tag-a-longs are **only** covered where **organized, supervised** program is provided for them. For example, at a day camp or an encampment where a 5-year-old unit will be established, it's OK to invite and obtain insurance for those kids. Tag-a-longs are the responsibility of the parent attending. Any damage/harm caused by the tag-a-long is also the parents' responsibility.
3. In deciding between Plan 2 and Plan 3P, the deciding factors are the duration of the activity/event and distance from the regular meeting place. Members and non-members are included in Plan 3P coverage.
4. Participant accident insurance is secondary insurance. The insured party's family insurance plan is primary. Mutual of Omaha pays the first \$130 of an approved claim and will continue (after the family insurance plan has reached its coverage limit) up to a total of \$20,000.
5. **All forms must be submitted to Girl Scouts San Diego, 1231 Upas St., San Diego, CA 92103-5199 at least two weeks prior to the event.** If paying by check make check payable to Girl Scouts San Diego. Or, use a credit/debit card and submit via email to accountspayable@sdgirlscouts.org.
