

# GET OUTSIDE!

Friday-Sunday, April 6-8 and June 1-3, 2018

Venture up to Julian for an **outdoor troop adventure!** You're in charge of your experience – explore camp, pack your day with activities, or just kick back and revel in the quality time with your Girl Scout sisters. Stay for one night, the whole weekend, or just for the day.

## ACTIVITIES

Sample archery, high ropes challenge course, fishing and more! Qualified instructors lead sessions designed for general sign-up – your troop will bond and meet new friends, too.

## ACCOMMODATIONS

- Modern cabins at Winacka and Whispering Oaks have heated sleeping areas with bunk beds or floor mats and have full electricity. Some have indoor kitchens. All cabins have access to flush toilets, hot showers, and outdoor cooking areas.
- Rustic cabins at Winacka are screened with built-in bunk beds and have no heat or electricity and have access to a campfire ring with seating and outdoor cooking areas.
- Tent sites at Whispering Oaks have access to flat areas to pitch tents, picnic tables, a campfire ring, potable water and portable toilets or outhouses.

## MEALS

Cook with your troop or let us help! Meal service is available on Saturday; pick and choose which meals work for your troop. We offer continental breakfast, sack lunch, and hot dinner served in the dining hall.

## TRAINING AND SUPPORT

*Let's Camp* is the minimum training requirement for independent troop camping. Additional training may be required depending on whether or not the girls will cook and other factors. Visit [sdgirlscouts.org/outdoortraining](http://sdgirlscouts.org/outdoortraining) for more info on our progression of classes. Work with your service unit's activity consultant to ensure you get proper training and obtain activity approval.
